Mr. Roy Baker*

Dear Friends/Dear Presidents,

I am delighted to be able to invite you, your officials and your athletes to the 2021 WAKO Older Cadets and Juniors European Kickboxing Championships in Point Fighting, Light Contact, Kick Light, Low Kick, K1 Rules, Full Contact and Musical Forms which will be held in Budva, Montenegro, 5-14 November 2021.

I am personally excited about this Championships and sure this will be an enjoyable one. We are confident that you and your team will thoroughly enjoy the facilities which will be offered to you at the Championships.

We must remember that our younger athletes are 70% of our competitive landscape, of our activity, so we must protect, promote and nourish them and their development and growth as a strategic priority of WAKO. They are essence of our future. For us, to be encouraging our young athletes as leaders, means that one or more of the following critical life messages are coming through to them, either by word or by action: "We believe in you, we trust you, we know you can handle this. You are listened to, You are cared for, You are very important to us".

I look forward to meeting you all at the European WAKO event and I personally promise you and your members a memorable experience in Montenegro.

Hoping in your continued understanding and support, and looking forward to seeing you soon again in Budva, Montenegro.

Best regards,
Roy Baker
WAKO President

INVITATION LETTER

*by WAKO Europe Acting President
Mr. Istvan Kiraly*

Dear WAKO Europe Presidents,
Dear WAKO Europe General Secretaries,
Dear Coaches, Referee Colleagues,
Dear Athletes and sports lovers,

I am pleased to invite you to this competition that seems to become reality after such strong and serious efforts. This gives me great joy, because the WAKO Europe family has proven that the pandemic and these hardships – even if only with our collaborative efforts – can be overcome.

We have proven that if we work together, we can achieve so that our athletes will not be left without a true, serious competition. I would like to thank every athlete who, despite the pandemic, fought and trained through the hard times, training outdoors under the sky, or at home or in their small rooms, but never giving up. These athletes never lost hope and no matter the hardships, they still believed in kickboxing and kept kickboxing alive. Thanks to this incredible effort, we can finally meet again and our athletes can finally do what they are truly good at, which is to compete in this wonderful competition, the European Championship.

I warmly invite everyone to this competition. With much enthusiasm, I am looking forward to seeing each other in person again, be it athletes, coaches, referees, officials, presidents, general secretaries or simply the fans of the kickboxin sport. Come, let us work and play together and celebrate the success of Kickboxing.

Let us meet in November, 2021 in Montenegro. I will see you there and I am concluding my letter with great joy, because kickboxing has won, WAKO has won and our sporting life will resume once again.

Sincerely,
Istvan Kiraly
WAKO Europe acting President

INVITATION LETTER

*by Kickboxing Federation of Montenegro President
Mr. Ivan Strugar*

On behalf of Kickboxing Federation of Montenegro, I am very happy for the opportunity to gather WAKO family again in city of Budva. I believe that WAKO will have one more successful Continental Championships for cadets and juniors.

In numbers, this will be 13th juniors and 9th cadets WAKO Championships.

The venue Mediterranean Sport Center (City Sport Hall) is very suitable for this kind of championships and I am sure we will fulfill all WAKO standards.

Young generations now are eligible for the success even more than we were in the previous times. Nowadays they have better entourage for training and competition.

What we have to nurture is their will and passion for success, their capability for determination, for resilience and persistence. To nurture their winning mentality in WAKO.

As the former kickboxing champion, I am still very excited about championships. I wish all participants to make many new friendships here at the championships, to take some time to know beauties of our landscape and know some history and to have very successful competition.

I look forward to seeing you in November in Budva,

Respectfully yours,

Ivan Strugar
