TO ALL WAKO MEMBERS

Dear Friends,

I am very pleased to invite you All to attend our next **WORLD CHAMPIONSHIPS (all styles)** regarding our best **CADETS and JUNIORS**, that will be held in **JESOLO LIDO (Venice), ITALY**, at the sport hall "**PALAZZO DEL TURISMO**", where WAKO already hosted a Senior European Championship in 2002. The World Championships will be held **from 15th to 23rd SEPTEMBER 2018**.

I would like to thank the promoters of this new edition of the World Championships for Cadets and Juniors, Mr. Nicola Traina and Mrs. Barbara Falsoni. The event is supported and organized in cooperation with the Italian Kickboxing Federation (FIKBMS), a big thanks to Mr. Donato Milano, FIKBMS President, and to all other members of the local Organizing Committee!

As everybody knows very well Italy does have a long tradition and experience in the organization of such big WAKO Championships, so I'm sure once again everybody will have the opportunity to enjoy a new marvellous experience in that country in the name of FAIR PLAY and SPORT. Young athletes represent the future of kickboxing, the local and WAKO Organizing Committee will certainly do their best and will be at disposal during the whole period of the Championship to make the main event of the year memorable as Cadets and Juniors deserve, for their great passion, sacrifices and dedication towards this sport, such as all other people involved among officials, coaches, supporters, referees and judges ecc.

Jesolo is a seaside town, close to Venice, in September the weather is normally still quite nice on that final summer period, for this reason all competitors, officials, fans and families may take the opportunity to spend also a pleasant week discovering local attractions of Veneto region that are strongly recommended.

We expect record numbers once again this year, so please register your team early and we look forward hosting you all in Jesolo!

**LOCAL ORGANIZING COMMITTEE -
WELCOME TO THE 2018 WAKO WORLD CHAMPIONSHIPS IN JESOLO LIDO!**

Dear WAKO Friends,

Last time we had a **WAKO Championship in Jesolo Lido**, Italy, was the year 2002, it was a Senior European Championship. After 13 long years, during which we could experience many other successful Championships held in Italy: Naples WC 2008, Lignano Sabbiadoro WC 2009 and EC 2011, Rimini WC 2014, we would like to invite you All to discover again this beautiful area of Veneto Region!

It is time to get back there! Jesolo Lido is on the seaside, so that you can enjoy not only the World Championships for Cadets & Juniors (all disciplines) that we are preparing for you in the best possible way, but also the atmosphere and main local attractions of the town and region during that closing summer season period. In fact the WAKO World Championships for Cadets & Juniors 2018 will take place from **15th to 23rd September 2018**. Italy has a very long tradition in promoting international events and, as usual, Italian Kickboxing Federation (FIKBMS) and its people, in cooperation with us as main promoters of the event, will do our very best to offer you all a memorable event!

Palazzo del Turismo in **Jesolo** will be the sport hall chosen for this great event, it will be perfectly equipped with 8 tatamis and 3 rings. The sport-hall offers large spaces for training and warming up, it is located not very far away from Jesolo downtown and it is there that registration, weigh in and medical control will be held upon arrival of the teams on very first days.

We remain at disposal for any further information you may need.
You are more than welcome, looking forward to seeing you soon again in Italy!

Best regards,

Nicola Traina & Barbara Falsoni

JESOLO A MULTIFUNCTIONAL CITY

This is Jesolo. A city with modern services, comforts, organized roads, impeccable safety, a high quality of life, many accommodation facilities and leisure opportunities. It is a city able to meet the needs of today while already planning for the future. Guests will feel truly at home here; they will be calmed by the beautiful beach, the Blue Flag awarded crystal clear seas, countless attractions and entertainment venues. Jesolo's golden beach is well managed and the bathing establishments are always attentive to the service of their guests, even four-legged ones. It stretches between the shaded Pineta, a true green pearl for the city, whose path is marked by works of art depicted on the walls of buildings and homes, and is the most modern and best equipped establishment in the Adriatic. Jesolo's beach is ideal for sports such as beach volley, windsurf, sailing, and open-air fitness, as well as for children to play on the playgrounds or just to relax under the sun and take a walk. The beach is very safe for swimmers and offers the opportunity for a complete relaxed holiday. And with more than two hundred events throughout the year, Jesolo is both a winter and summer tourist destination. The beach has also been awarded the Green Flag by the Italian Paediatricians, meaning it is an ideal resort for children. In addition to the high quality of future accommodation facilities and its ever welcoming spirit, Jesolo, the beauty of its sea and its beach, will let you enjoy yourself and make your stay unforgettable.

LIVING IN JESOLO

Jesolo, a modern city. Organized and redesigned by the internationally acclaimed Japanese architect Kenzo Tange, new realizations are distributed along the city.

The area features modern facilities tailored to the needs of its guests and provides ample parking. Fifteen kilometres of golden beach and twelve kilometres of Jesolo's pedestrian walkways, the longest in Europe run along the coast, lighting up as if by magic after eight in the evening. Jesolo is also very close to the cities of art and history, starting with **Venice**. And in fact it is the lagoon, a **UNESCO World Heritage Site**, with its northern appendix that creeps into the territory of Jesolo between the river and the countryside. The large fishing areas in the north lagoon watch as a silent

place where you can also go mountain biking, thanks to an itinerary structured specifically to find out the relationships between the many waterways that run through the area: those of the river (the Sile, once Piave Vecchia) and those of the lagoon. The inland and its nature can be discovered thanks to more than 150 kilometres of routes as beautiful as the waterways through which waterway tourism has been developed.
